

# Tricia Ann M. Siez

☀️ **VIRTUAL ASSISTANT · GENERAL / BACK-OFFICE SUPPORT**

ADMIN & DATA · RESEARCH · SOCIAL MEDIA

## — PROFILE

A reliable Virtual Assistant focused on general & back-office support — data entry and cleaning, file and document organization, spreadsheets, scheduling, and web research. A Computer Science graduate by training, I work fluently alongside AI tools to move faster on higher-volume, detail-heavy work — dependable support without the hand-holding. Clear async communicator, quick on new platforms, easy to work with across time zones.

## — EDUCATION

### B.S. in Computer Science

2021 — 2026

Silliman University, Dumaguete City

★ Dean's Lister · 2021–2022

★ Junior Student of the Year · 2022–2023

**Certification** — NLP & Computer Vision Workshop, National University, Manila

## — HOW I CAN HELP

### Admin & organization

Data entry, file & document organization, spreadsheets, and day-to-day task support.

### Social media management

Content planning, scheduling, publishing, and real-time event coverage on Facebook & Instagram.

### Data & web research

Online research, data gathering, cleaning, annotation, and dashboard reporting.

### Content & graphic design

Branded graphics, short-form video edits, and visual assets in Canva, CapCut, Figma & Affinity.

## — EXPERIENCE

### Social Media Manager — Co-Head

2024 — 2025

Confederates Student Council · College of Computer Studies

- ★ Ran end-to-end content for the official Facebook and Instagram accounts — planning, creating, scheduling, and publishing posts.
- ★ Produced publication materials and delivered real-time coverage of live events, keeping audiences updated as they happened.
- ★ Coordinated with team members to gather accurate information and keep posts consistent and on schedule.

## — KEY PROJECTS

### Data Collection & Cleaning — NLP Research

2025 — 2026

PYTHON · WEB RESEARCH

Gathered ~10,000 social-media posts through web research and scraping, then cleaned, annotated, and quality-checked a 4,000-entry dataset for accuracy.

### Project Lead & Designer — WhereToEat App

2023

PROJECT MANAGEMENT · FIGMA

Managed the workflow, timeline, and documentation end-to-end for organized, on-time delivery; designed the interface and created custom visual assets.

### UX Designer & Market Researcher — R3DRESS

2024

ECOMMERCE · SOCIAL MEDIA RESEARCH

Researched TikTok eCommerce trends — user behavior, engagement, and buying patterns — and turned the findings into design decisions for an online storefront.
